The Alliance PAC Trustees are the governing body of the Alliance PAC and oversee/coordinate Alliance PAC activities. The Trustees also have the responsibility of final action on recommendations of the Alliance PAC Endorsement Committee. The Trustees (according to our By-Laws) are made up of 5 Alliance PAC members—a chairman, a treasurer and 3 additional members each representing one of the groups that constitute the Illinois Statewide School Management Alliance i.e. one board member, one superintendent, one business official and one principal. An alternate is also appointed for each of the four groups to represent that group should the Trustee be unable to act and serve. Alternate Trustees are also voting members of the Alliance PAC Endorsement Committee.
