

LAUNCHING SCHOOL LEADER NETWORK

For New or Newly Assigned Administrators

About the Launching Network

IPA's Launching School Leader Network (LSLN) brings principals and assistant principals together to maximize their leadership in the crucial first years. The goal of the IPA Launching School Leader Network is to provide administrators who are new (or new to their school) with the skills, resources, and community of peers necessary to cultivate culture, assess systems, and understand the leadership necessary for the unique context of their learning organization. For more information about the program, visit <https://ilprincipals.org/grow/leader-networks/launching-school-leader-network>.

Additional Leadership Development Support:

Principals, assistant and associate principals, and administrators face new tasks, responsibilities, and decisions on a regular basis and can benefit from the help of an "expert" to provide leadership mentoring. As part of the comprehensive leadership development offered by the Illinois Principals Association, highly trained and experienced mentors and coaches are available to IPA professional development program participants and districts. For information about adding mentoring support services to your Launching School Leader Network registration, see the reverse side of this form.

RECEIVE 1:1 SUPPORT MENTORING PROGRAM

Add one-on-one mentoring to your *Launching School Leader Network* registration for additional leadership support! The goal of IPA's mentoring program is to help new leaders thrive so they can advance learning, innovation, and global citizenry in their schools. A trained and experienced mentor will provide **one-on-one development** utilizing strategic probing and reflection, feedback and guided planning as well as the support and motivation needed for leadership development. Mentoring will support the new administrator in not only meeting daily responsibilities for operations, management, supervision, and teacher development, but also in creating a positive school culture and establishing performance expectations and supports to ensure sustained success. Full details about IPA's Mentoring program can be found at <https://ilprincipals.org/grow/mentoring-services>.
